

Terry Reynoldson

Compiled Student Evaluations of Instruction: Drawing 2, 2016

1. What are the major strengths of the instruction in this course?

Terry understands students. He tries to accommodate students via due dates. He teaches interesting aspects of Art.

The prompts for assignments are interesting & intriguing. Exploring beyond 'drawing' in the traditional sense.

There are a lot of options available and we are able to use our creativity for the projects.

Great at thoroughly describing assignments, and creating fun projects with a good balance of structure & free range.

Enthusiasm and approachability

Freedom to draw what you want, within reason

Demonstrating examples of art projects.

He is very enthusiastic and a fantastic teacher

Enthusiastic, helpful, knowledgeable

Demonstrating techniques

2. What aspects of this course were most beneficial to you?

The learning process.

Expanding my thought process for each piece & the ability to go beyond!

The fact that we can use many materials to create our own original works.

Working time in class, and feedback during critique.

the encouragement to experiment

all the different techniques

Exploring using different medium.

all of them

Learning new styles + techniques

3. Was the instructor available for a sufficient amount of time, in or out of class?

Yes

yes

The instructor was always available for questions and always had useful observations

yes

yes

yes

yes

yes

yes

4. What do you suggest might improve this class?

Nothing, it's my favorite class

The grading scale can be improved, it can be quite harsh.
(0, 0.5, 1, 1.5) = (0%, 33%, 66%, 100%). Maybe some in between.

The course is already very organized and the instructor is always prepared for the lecture.

Possibly more in class work time

It is great.

5. Please comment on the grading procedures and/or examinations in this course?

Grade was done timely and using the rubric

grading procedures are acceptable

I think the rubric grading system is fair

It's very hard to get an A

he marked quite hard but did give us the opportunity to improve our work before final grading, which was nice.

Fair

The grading procedures are fair and according to points of evaluation used for each project

Very Fair

Fair, rubric is used which is good

6. Why would you recommend this course and / or instructor to other students?

It's creative.

Less stressful but requires the same amount of effort.

Yes because of the reasonable work load

It's a learning experience that is wholesome

The instructor was very accommodating.

It was a great escape from my other courses, it was fun, and I learned lots

Fun projects

I would recommend both the course and the instructor because one can learn a lot in here. One enjoys every project and learns by doing

Great instructor, really made the class worth taking, used various mediums, new & fun

I had a lot of fun and was able to truly take time working on my piece without a too tight schedule

Terry is very flexible.
