HELLO MY DEARp.

Good day and Compliments, I am writing this letter in confidence believing that if it is the will of God for you to help me and my family, God Almighty will bless and reward you abundantly and you would never regret this.

I am contacting you with the following investment proposal for your kind assistance. My name is Princess rose, and I am a female student of University Burkina Faso, Ouaga. I am 27 yrs old. I'd like any person who is caring, loving and home oriented.

I will love to have a long-term relationship with you and to know more about you. My father was a king before his death, which the citizens of my community crowned him over ten years before his death.

My late father was the king of Bobo Land In Burkina Faso, whose lands are being used for Gold exploration and Oil drilling by some Gold companies. I am a princess to him as his daughter and I am the only person who can take care of his wealth now because my junior brother is still young and my mother is not literate enough to handle my fathers business empire.

He left the sum of USD \$4.5million USA Dollars in a financial security bank here in Burkina Faso.

This money was annually paid into my late fathers account from the companies that are into Gold exploration and oil drilling who are operating in our locality for the compensation of youth and community development and royalties which are due to him as the paramount King of the community in our jurisdiction.

I don't know how to take out the fund at the financial security bank where it is deposited on his name unless I involved a foreigner as his business associate and what I will do to invest this money somewhere abroad, so that my father's kindred will not take over completely what belongs to my father and our family, which they were planning to do without my consent because due to his sudden death he did not write down his WILL, moreover the kindred do not have the security depositing documents.

This made it difficult for us the members of the family to lay claims on anything that is publicly known by the community apart from this money that is hidden in the financial security bank, since I am a female as stated by our tradition in the town. Now.

I urgently need your humble assistance to move this money from the financial Security bank where the money was deposited to your country, that is why I felt happy when I saw your contact because I strongly believe that by the grace of God, you will help me invest this money wisely, since i do not want my father name to be exposed by the bankers when transferring out from this country, i needed that you come down in person, i will hand over all documents to you, take you to the magistrate court for an affidavit on your name declaring you as a foreign partner to my father, in this way, you will then take the documents to the financial security bank, open a non residence account on your name and then authorized the bank to be transferring the fund in portions, if not i can not do it as it will expose my family name and since our name is a public one, they will know we are transferring some money and will get problem, so i advise you to help me in this expect and get a way forward for this future. I am ready to pay % of the total amount to you if you help us in this transaction and another % interest of Annual Income to you, for handling this transaction for us, which you will strongly have absolute control over it.

If you can handle this project sincerely and also willing to assist me in lifting this fund, Please, note that this transaction is 100% risk free and I hope to commence the transaction as quickly as possible,

I will send you my details and address on how to fly down here as soon as I hear from you for recognition, my problem now is that all my father bank accounts has been closed expect this fund now and if this will be exposed, we will loose everything and will start from zero, whatever expenses you spend on arriving here, i will pay back as soon as you do the change of ownership of deposit and it is released in the financial bank.

Yours sincerely,

Princess ROSE (Miss Princess ROSE)

I EXPECT YOUR SINCERE REPLY VIA MY PRIVATE E-MAIL: (Princessrose03@yahoo.fr)

Dear Miss Princess ROSE

Firstly let me say that I am very sorry to hear of your father's passing. It's difficult when a child loses a parent. I would be pleased to help you. I'm not sure I can do all of the things you've asked, but I will study the matter and get back to you soon.

Yours truly,
Jean

My Daerest,

Compliment of the season and a wonderful year...

Thanks for your prompt mail, Again, i understood your mail and accepted your kind advised, in fact, what you said is right and i want to inform you that we also respect that name a lot and i that was why i put my proposal to in that way that if it is his will let be done according to his will because without his power we can't do anything. i love that name and will always do. So, regarding to my previous mail as i have clearly explained to you in my first mail, as soon as this money is transferred to you in your country bank account, i will come over to your country for the sharing as i have already stated and the investment will take place, one of the things you have to do now, is trying to know what is good over there in your country that we can invest in.

Secondly,i have contacted the security company where this consignment is lodged and they told me that the transfer will be effected from the african development bank (ADB) and i have gone to the bank and the bank made me to understand that the fund will be released to our fathers partner as it was documented, for this reason, i have contacted you to act as my fathers businesss partner while i will be here to follow it up and give you every relevant information's the bank may need from you as the real partner of our father,to enable them transfer the fund to you while i will come over to your country for the celebration,sharing and proper investment as planed.

Note that every information's they may require from you there in the bank,i am here to give it to you and i will like you to confirm to me,your maturity,capability and sincerity to handle this business with me.

I think it is very important we know our self's very well before we commence in this business as you said.Below is my details:

Name in full: Princess Rose Toure Kabore
Address:Rue 102 Pad,Bobo Dilaso Community,Burkina Faso,West Africa.
Age:27 Years Old

My Father Name:HRH Alif Dioka Kabore,Chief Of Padua in Bobo Dilaso Community,Burkina Faso ,West Africa.

One more thing, i want you to know the reason why i needed you as my fathers partner to release this fund to you, and why i need your help to invest this fund. Because, During the lodging of this consignment in the security company, because of my fathers position in our community, my father did not let the security company to know that the fund belong to him rather the fund belongs to his business partner, he let them to know that he is not the owner of the consignment, this is for the security of his position in our community, he told them that this consignment belongs to his business partner that it should be released to him in conjunction with his partner and he did not mentioned any bodies name, but in his absent that the consignment should be released to his partner in agreement with his doughier which is me, so my dear, you can see the reason why i contacted you in this business.

And for this reason, i mapped out percentage to give to you for this assistance and will invest this fund under your directives and care in your country.

Please note that all my hope is only in this money and i know that this business will go along way to join us as one family and create a long time relationship within us.

My dearest one our condition of living here has become very poor, since the death of my father, this is the reason why i want you to consider this business very important and do anything possible to transfer this fund to you, i will like you to contact the bank so that they can give us directives as to transfer this fund into your account, please what ever expenses you make in this business, take proper record of it, including your telephone calls and Internet cost, because this will be the first thing to be deducted before the sharing and the investment as planed.

Waiting to hear from you urgently so that i can draft a text of application you will retype and fill your banking information's and send to the bank for the onward transfer of this fund into your account. please see my picture in the attachment and send me yours as soon as you receive mine. I need your picture, your occupation, age and your address in full to enable me know you more.

Thanks.
Princess Rose.

My sweet and fragrant Rose:

I can't get you out of my mind. I lay awake last night thinking only of you and have decided that I must win your heart.

How do I love thee?
Let me count the ways.

I love thee to the depth
and breadth
and height
My soul can reach,
when feeling out of sight.
For the ends of Being and ideal Grace.
I love thee to the level of everyday's
Most quiet need,
by sun and candlelight.

I love thee freely,
as men strive for Right;
I love thee purely,
as they turn from Praise.
I love thee with the passion
put to use In my old griefs,
and with my childhood's faith.
I love thee with a love I seemed to lose
With my lost saints,
--I love thee with the breath, Smiles, tears,
of all my life!
--and, if God choose,
I shall but love thee better after death.

That's a poem by Elizabeth Barrett Browning. It pretty much sums up how I'm feeling about you right now. I await your next correspondence with baited breath.

Forever yours.
Jean

Hello my soft and delicate Rose

I have been thinking a lot about love and what the future might hold in store for us. I was as giddy as a school boy when I read your last email and your promise of a beautiful kiss when you come to America. I can hardly wait! What would you like to do first? I'm thinking that maybe dinner and a movie would be nice. Do you like Wendy's? I enjoy their cheeseburgers, but without any pickles. I'm not sure why, I guess I've never acquired a taste for them. Then I thought maybe we could go and see The Pink Panther 2. Are you a Steve Martin fan? I've been a fan since he was on Saturday Night Live with Dan Akroyd and Chevy Chase. Boy those guys could really crack me up.

Don't get me wrong, I like the new guys too, especially Fred Armisen and Will Forte. I bet you're a Tina Fey fan. Am I right?

Well, I should say good night for now. I need to get my beauty sleep so I will look handsome when you get here.

Sweet dreams my love.
Jean XO

P.S. I am sending you a picture of us together. I thought maybe you would like to keep it in your wallet to remind you of the good times that are just around the corner.

Hello my sweet and fragrant Rose

Why do you laugh? Please tell me you are not mocking my love for you. My feelings are as heart-felt and true as the royal blood that flows through your veins. You must understand that it would hurt me terribly to think that you are making light of my romantic overtures.

Although... perhaps I am rushing you into a relationship that you're clearly not ready for. You see, the trouble is that I've been terribly lonely since my wife passed away eight years ago, and I haven't had any dates since then because none of the women on this continent will go out with me.

I have an idea! Let's start over and, this time, we'll do it the right way. I will send you five questions which you will answer, and then you will do the same for me. After we've answered a sufficient number of each other's questions, we will know more about how compatible we would be as a couple. Let's make the first round of questions multiple choice. Here we go:

1. Which of the following marriage issues do you fear most?

- A:** fear of growing apart
- B:** fear of marrying the wrong person
- C:** fear of becoming "your parents"
- D:** fear of being hurt

2. How important is chemistry to you?

- A:** I need to feel that instant "click"
- B:** within the first couple of dates I need to sense a certain chemistry
- C:** I think chemistry can be generated over the long-term with someone I really like
- D:** I don't believe chemistry is really important to a successful relationship

3. Your idea of a romantic time would be:

- A:** a quiet candle-lit restaurant
- B:** rollerblading on the beach
- C:** cooking dinner together at home
- D:** getting dressed up and going to a dance club together

4. What do you think of "Soul Mates?"

- A:** there is no such thing
- B:** each person has one soul mate, whether they find them or not
- C:** a person has several soul mates in a lifetime
- D:** through work, any person you truly love can become your soul mate

5. Do you consider yourself physically affectionate when involved in a relationship?

- A:** Sure, I love to hold hands, hug and give casual kisses.
- B:** I'm moderately affectionate. I like to hold hands and exchange hugs.
- C:** I do like a small amount of physical affection.
- D:** I don't consider myself a very physically affectionate person.

I await your answers with eager anticipation my love.
Jean XOX

P.S. Here's a photo of the house that we will live in. It's a beautiful little cottage
on the lake.

Why have I not heard from you? Please answer me.

Jean

P.S. I'm talking to a banker about buying an ant farm so that I can give up my job as a house painter and retire to the country with you. It's been a life-long dream of mine! I'll attach a photo of a nice spread in Texas that I've had my eye on.

Ants are hard workers. Did you know that they can lift 50 times their body weight and they never get tired? Also, they eat mostly sugar, which makes them very eco-friendly and cheap to raise. I firmly believe that they are the answer to many of our global problems. Imagine if we replaced all machines with ants? We could save the planet and make it better for the many sons and daughters we will have!

My scarlet and velvety smooth Rose

How I yearn to take you in my arms and hold you tight. I want you to be safe and happy. I am so confident that we were meant to be together. I know that things have been very difficult for you lately, but it would mean so much to me if we could get to know each other better. I will assume that the five questions I sent to you on February 11 were inappropriate somehow, so here are five new ones:

1. If you were to marry, how many children would be ideal?

- A: 0
- B: 1
- C: 2
- D: 3 or more

2. On Saturday night, would you rather go to:

- A:** ballet/theater/symphony
- B:** a professional sporting event
- C:** a popular new movie
- D:** the latest dance club

3. Which of the following quirks would bother you most about your partner?

- A:** uses poor grammar

AFRICAN DEVELOPMENT BANK(ADB)BURKINA FASO

Sir,

Final confirmation has been given in respect of your due Inheritance payment of the sum stipulated in your account with our corresponding bank in Africa, (African development Bank) (ADB)

We have verified and confirmed the validity of this payment in your favour, which falls under the U.N. Financial Division/E.U. Payment Committee; Act nr. AO/UN/EU-144, § 22.3 and 22.4, Section 78-79, which stipulates that contractors from Region 4 countries; Togo, Ghana, Burkina Faso, Liberia, and Cote d'Ivoire must pay for the banks HANDLING AND ADMINISTRATIVE CHARGES, so as remittance to be effected to their nominated bank account details as stated.

After clearance has been given by the Finance Division of the governing body of the E.U, which was responsible for the final verification of the genuineny of the said awarded contract and inheritance payment to our handling bank ABN AMRO BANK

As you are aware, the sum of Euro 3,270 (Euro Three Thousand Two Hundred and Seventy Only) being for the Handling And Administrative charges still has to be paid to us in order to receive payment instructions from the board of directors (ABN BANK) Without the final approval number (B4F345) from the ABN AMRO BANK, INTERNATIONAL REMITTANCE & VERIFICATION DEPARTMENT, we regret to inform you that payment will be withheld until the stipulated charges (Euro 3,270) are been paid by you and booked in.

As we cannot deduct the said charges from your initial total funds because of the high premium of insurance bonds policy covering your Inheritance Fund, this was placed just to secure the funds to avoid being tampered with, because of this policy you are advised to pay immediately to enable us commerce on your transfer immediately as your inherited funds has been approved for payment.

This is to enhance transparency and to enable contractors receive their payment on scheduled time. Your Payment will be remitted to you as soon as we receive the above mentioned fees, as we have slated payment to be made to your nominated bank account on Wednesday the 25th of February 2009 12.00 p.m. Netherlands time, which you must reconfirm your account details to us as matter of urgency.

You can call your account officer Dr Harry Heinz on his direct telephone number + 31 644 656 418 for more discussions if you need more clarifications.

LoveTest Question Analysis

You'd Better Not Get Involved With Princess Rose Toure Kabore!

To have the best possible relationship with your dream date, you need a lot of quality time to communicate. Also make sure that you ask the right questions right from the start in order to avoid problems and misunderstandings later on.

You might want to check out our newest site:

With the love calculator, you can convince your friends to reveal their secret love interest... it's fun to use... give it a try...

Zodiac Sign Analysis:

You are 64 percent compatible with Princess Rose Toure Kabore.
Princess Rose Toure Kabore is 38 percent compatible with you.

Love Horoscope for this Week:

Jean-Claude Girroux, here's your love horoscope:

This week's scenario is highlighted by your independent spirit & knowing when

compassion is required. You may be called on to stand up and explain yourself, avoid defensiveness, be objective. You need to be more compassionate towards loved ones & learn to enjoy the simple treasures you possess. You might be feeling financially pinched, don't let that shut down your plans for a good time. The company you keep could lift your spirits and remind you that fun doesn't have to be expensive. One of the most useful activities is simply to share your thoughts with someone you trust. You could use a sounding board, someone to respond to your ideas. We all need feedback sometimes. Once you let your feelings out, you should be able to enjoy a good time of love and play.

The love life and romantic 'trends' this week are laden with 'emotional issues.' YOU are a thinker, an analyzer, a negotiator, a problem solver and an academic in love; you are not equipped for long term/duration 'emotional' challenges most any time, especially this week and/or if they involve Pisces, Cancer, Scorpio, Virgo or Taurus at this time. Single Twins do very well near the 11/12th.
Compatible sign(s): Capricorn, Pisces

Here's the love horoscope for Princess Rose Toure Kabore:

This week's scenario is highlighted by your careful, cautious and conscientious workmanship in everything you do. You might do well to tiptoe around someone who is irritable. You haven't done anything wrong, you simply may be working with some very vulnerable people right now. You may be surprised by what you hear. Rather than defend yourself, face the truth with a readiness to make changes. Even if you try to get off to a quick start, chances are you'll need to slow down to deal with delays and obstacles. Events this week may become a starting point for personal & professional successes. Don't panic. You may take comfort in the past, with its old ways and old solutions. If they worked once, they'll probably work again.

Here Rita Ann sees a strong trend for Single Rams 'on the door step of the Libra Year,' which starts 3/20/09 and runs to 3/20/10. The 'Year' concept is mine and mine alone. You will not find info on it anywhere else in the Astrological world. Single Rams who are 'ripe, ready and willing' [really willing, i.e. 'psychologically,'] will find landslide pair offs this cycle, especially with Libra, other Rams, Sagittarius, Leo, Aquarius, Virgo and some Pisces. Hot days appear to be the later hours of the 9th into day time hours of the 10th, mid day the 11th, later hours of the 13th [who says Friday the 13th isn't lucky] and most of the evening of the 14th.
Compatible sign(s): Leo, Sagittarius

My long-stemmed and lovely Rose

Thank you for answering some of my questions. I too enjoy music, football and snacks and would like to have children someday. One girl and one boy sounds just fine for a start, but I've always imagined my wife and I having lots of kids just like my parents had. I come from a family with twenty-three children. I'm the fourteenth oldest. I have seventeen brothers and five sisters.

Sweet Rose. My heart aches when I read that you are unwell. Please take care of yourself. I will try to purchase a plane ticket so I can come and be with you. In the meantime, here are some coupons to help you get the things you need.

Forever yours,
Jean XOX

You aren't likely to stay in any union that restricts, confines or holds you back in any way.

are a romantic, in love with love. You accept love as ones of life's little pleasures. You are a free spirit, always looking for a lover, not a father. You are an idealist. You go after whatever you want and you certainly won't take no for an answer. You have no trouble attracting men because you are always where the action is. You do not handle your money well which can cause a problem for the man who falls in love with you. You however are worth every cent that you cost your lover as you can stimulate him in ways that no one else can do.

You will not tolerate being bossed around by your mate. You hate have your space infringed upon and you can't stand it if your mate shows up late for a date. You like to be asked for advice and flattery always makes you feel important. You will never slow down and wait for your lover. It's keep up or get left behind.

Astrological Compatibility Analysis

Gemini (air sign)

22 May - 21 June

The sign of the twins. Gemini's are usually bright and quick witted, the old adage of two heads being better than one ?. They do enjoy making use of their intellectual talent, be that at work or play and most have either a creative streak or an interest in the arts, but their eagerness to complete more than one task at a time means that nothing gets done.

Gemini & Aries

This is one of your best matches. You both have a high energy, a thirst for adventure and spontaneity. Passionate, sudden and compelling this union can last.

Aries (fire sign)

21 March - 20 April

The sign of the ram, but a ram has three possible personalities, domineering, innocent or easily lead. Typical Arians are aware, adventurous and seek constant adventure. Sometimes in their eagerness to be noticed, an Arian can be brash, rude or selfish.

Aries & Gemini

Wonderful alliance. This is an exciting, sexual encounter that can in fact last. Both you and Gemini are so spontaneous and full of life that there is no time for either of you to become bored.

My sweet-scented Rose

I've been heart-broken and love-sick for all these many weeks. Remember on March 7 when I told you I took a free love test at <http://www.lovetest.com/lovetest.php> to see how you and I would fair as a couple? This web site said, "You'd better not get involved with Princess Rose Toure Kabore!"

Please my dear, visit this site and take the test yourself. I am hoping that you will receive a better analysis than I did. If we are compatible, I will immediately begin the process of sending money to get you over here to America.

Tears of a Princess Statement

Anyone who uses the Internet will probably agree that email phishing scams are a nuisance. You've probably received more than a few unsolicited notices yourself, informing you that you've "won a lottery" to which you never bought a ticket; "inherited money" from a relative that you've never heard of; asking for your assistance to "transfer found money" to your bank account; or one of the other countless scams that criminals use to cheat and steal from others. (Google "419 Scams" for more information.)

Often the fraud attempt is quite transparent and we simply click the spam button. Sometimes, however, the fraudster succeeds in finding an unsuspecting victim who believes his lies (it's usually a guy who perpetrates this kind of fraud). Most hapless individuals might lose several hundred or maybe several thousand dollars, but some have lost everything: their money, their home, their family and even their lives (through suicide). There is little or nothing that the law can do to protect us because Internet criminals often live in distant countries on the other side of the world. They rely heavily on the anonymity of the on-line world, which makes it all too easy to hide their true identities and base of operation.

In 2004, a group of vigilantes stepped forward to combat this on-line menace: they call themselves "Scambaiters". A Scambaiter responds to fraudulent email in a conscious and deliberate attempt to draw fire from the criminal, waste his time, frustrate and generally infuriate him and, if lucky, get him to waste his own money. Some of these Scambaiters have published their exploits on-line in the form of transcripts and "trophies". WARNING: Some of these trophy images are disturbing and, sadly, appear to endorse a racist point-of-view. I do not share these sentiments, nor do I consider them an appropriate response to scammers, many of whom are Euro-American. Nevertheless, when Scambaiting is done with care and creativity, it can become an "email performance piece" that sheds light on the psycho-social workings of the Internet, of criminals and of role playing.

This document chronicles an exchange of email (becoming surreal at times to force the criminal off his script) that took place from February 3 to April 21, 2009 between Jean-Claude Girroux, the on-line persona of Terry Reynoldson since 2006, and Princess Rose Kabore, the on-line persona of an anonymous 419 fraudster (probably a middle-aged male) who ruins lives without remorse or regret..
